

Happy New Year! Welcome back, and a special welcome to those children and families joining Fieldmice class. We look forward to lots of fun together in 2018!

Snack and Cooking Money

Thanks to those of you who have made a donation towards cooking and snack. If you are able to donate please send in to the staff in your child's class. Many thanks.

Attendance

Please ensure that your child is present for the whole duration of the sessions they should be attending.

However, if your child is unwell please do not feel they have to be at school - we need to think about their wellbeing plus that of others.

Please phone the absence line on 01787 280143 by 9.30am and leave a message to let us know that your child is unwell.

Wellies / spare clothe

A reminder that if possible please can your child have a pair of wellies to keep at school, and spare clothes in case they get wet / muddy. Many thanks

Save the date!

On the morning of Thursday 8th March we will be having an event to celebrate Mother's Day, so please write the date in your diary - more details to follow nearer the date.

Library books

This term we will be introducing a 'library book' scheme, where the children will bring home a book from school to share. They can then return their book and exchange it for a different one.

We will ask the children each week if they want to change their book - however, if you want them to change it please let us know.

Rhyme of the week

One of our main focuses is developing the children's speech and language skills. To support this, we will be having a 'rhyme of the week' - details of each week's rhyme will be shared on Tapestry or ClassDojo.

Toys from home

Please can we ask that your child does not bring in toys from home. If they want to bring in an item as a 'comforter' this must fit into their bag / drawer. Many thanks.

Dates for this half term...

Monday 8th January - term starts for the children
Week beginning 12th February - half term

And finally...

Please come and speak to us if you have any concerns or queries about your child - we want to work with you to support your child to ensure they are happy and confident learners.
